EXECUTIVE SUMMARY

This executive summary contains the high-level scope of work involved in the project.

1. AITI is seeking a Vendor to **enhance the development of the National Information and Communications Technology (ICT) Manpower Portal, provide technical mentorship services for a period of six (6) months to four (4) Apprentices who have completed AITI's Coding.bn programme, and manage the overall project implementation.**
2. In order to **support local talents and promote local contents**, the development and enhancement of the National ICT Manpower Portal will be carried out by four (4) Apprentices who have been trained and completed the AITI's Coding.bn programme.
3. The technical mentorship services are to systematically guide the Apprentices to successfully design and develop a one-stop National ICT Manpower Portal with specified requirement. It must be fully functioning by the end of technical mentorship services and accepted by AITI.
4. The objectives of this project are:
 - 4.1 To design, develop and manage a one-stop national portal specifically for ICT manpower and up-to-date ICT-related information in Brunei Darussalam; and
 - 4.2 To systematically promote local contents through mentorship of a pool of local youth coders in developing a fully working portal
5. The high level scope of this project consists of the following:
 - 4.1 Enhancement of the existing National ICT Manpower Portal.
 - 4.2 Provision of a Technical Lead to manage the project and develop the National ICT Manpower Portal with the four (4) Apprentices assigned by AITI.
 - 4.3 Provision of a Mentor(s) to provide guidance and sound technical advice to the four (4) Apprentices.
 - 4.4 Provision of maintenance and support services for the National ICT Manpower Portal.
